

2020 TRADE SCOPES INDEX

ARCHITECTURAL WOODWORK SCOPE

Page 1 of 3
Revised 2013

The Contractor shall supply only the following items regardless of where they may appear in the tender documents unless specifically noted otherwise in this Scope.

INCLUDED:

Exterior:

1. Mill made wood window frames and sash fitted as specified. Wood doorframes complete with wood trim. Built up or knocked down, depending on job conditions, complete with glass. (For knocked down frame glazing see B. Excluded Item 20).
2. Wood doors, unfitted and glazed if specified. (Wood core as specified.)
3. Wood screens or shutters, wood vents or louvers, wood sun baffles (knocked down) of clear kiln dried material (Grade D and better).
4. Specialty wood columns, posts and brackets of clear kiln dried material (Grade D and better).
5. Solid kiln dried D or better lumber for exterior trim, fascia, soffit and solid wood siding.
6. Wood handrail systems and benches of clear kiln dried material (Grade D and better).

Interior

7. Wood doors (plastic laminate and lead lined) unfitted and glazed, if specified. Wood bifold doors. Machining only of ULC rated doors as per fire rated Door Machining Schedule provided by the millwork supplier and completed by the General Contractor.
8. Cut and stop wood doors for metal grilles.
9. Wood door frames, borrowed light frames, and sash fitted. Wood access frames and doors. Machining only of ULC rated frames as per rated door frame machining schedule provided by the millwork supplier and completed by the General Contractor.
10. Wood stairs (shop assembled).
11. Notice or bulletin boards in wood frames.
12. Countertops including splashback (no jobsite labour). Substrate supplied only for metal covered and tile counter tops. Does not include glue for jobsite installation (see B Excluded item 25 and 29)
13. Plastic laminate and fiberboard base and kickplates or surface mounted push-pulls and guard bars (brand name excluded).
14. Fireproof application on millwork items where specified, pressure treated only. Does not include sanding after treatment.
15. Factory finishing of casework, wood trims, wood frames and wood doors if specified.
16. Wood or plastic laminate faced cabinets, lockers, bookcases, and laboratory fixtures, complete with woodbase. Wood or plastic laminate faced tables, benches, desks, carrels and convector covers. Swinging glass cabinet doors.

NOTE: Supply and shop installation of all integral cabinet hardware specified.

17. Wall mounted wood or plastic laminate faced shelving complete with necessary hardware.
